Form 2. Wm. B. Burford, Printer, Indianapolis.

MAY 1, 1894.

ENUMERATION FOR SCHOOL PURPOSES.

North, { Township, Town or City. } Lake COUNTY, INDIANA.

By W W Merrill Trustee.

☞Read carefully the Notes and REMARKS below before taking the Enumeration. The references below indicate the same sections in the Revised Statutes and in the School Law. (Editions of 1883 and 1885.)

NOTES.

NOTE 1. This report must be made to the County Superintendent on or before the first day of May, 1894, and a duplicate copy should be retained by the Township Trustee. § 4475.

NOTE 2. The Trustee must not include in this list of enumeration the names of persons transferred *from* his township, town, or city; but must include the names of persons transferred *to* his township, town or city. § 4472.

NOTE 3. Each Trustee must make a separate list of persons transferred to his township, town or city. § 4473. This list should be given on page 14 of this report.

NOTE 4. At the time the enumeration is taken it is hereby directed that the number of persons between ten and twenty-one years of age who can not read or write be ascertained and reported.

NOTE 5. The law requires the enumeration to be taken between the first of March and the first of May.

NOTE 6. After recording the names and enumeration of white persons, begin the list of colored persons on a separate page, writing at the head of the column, COLORED PERSONS. § 4472.

REMARKS.

1. WHAT NAMES LISTED.

The Trustee "shall list the names of parents, guardians, or heads of families," "having charge of children," who are entitled to be enumerated for school privileges. The names of no other persons can be legally placed upon the list. § 4472.

2. THE ENUMERATION MUST EXCLUDE:

(a) All children who are not six years of age before the first day of May.

(b) All persons who are twenty-one years of age before the first day of May.

(c) All persons under twenty-one years of age who are married.

☞(d) All children whose parents or guardians are not residents of the school corporation, unless special circumstances entitle them to school privileges. (Note 7 under § 4472 School Law.)

(e) All children whose parents or guardians are transferred to another school corporation.

☞(f) Employers (including shops, firms, etc.) can not be listed as "heads of families." None but parents or *de facto* guardians or heads of families can be legally listed.

THE ENUMERATION MUST INCLUDE:

(a) All other persons between six and twenty-one years of age in the school corporation, together with all children entitled to school privileges whose parents or guardians have been transferred to the school corporation.

3. ATTACHMENTS TO SCHOOL DISTRICTS IN TOWNSHIPS.

(a) Only those persons who have children to be enumerated can be attached to a school district.

(b) Those who have been once attached can not be detached, except "by consent of the Trustee, for good causes shown." § 4472, Note 4.

(c) It is the duty of the Trustee to ask the following classes of persons to what district they may desire to be attached:

1. All persons not heretofore listed.
2. All persons who have changed their residence since the last enumeration.
3. All whose school privileges have been affected by a change in the location of a school.

4. TRANSFERS.

(a) Transfers can only be made between the first day of March and the first day of May. § 4473.

(b) Transfers can be granted only when it is shown that the persons so transferred can be better accommodated. § 4473, Note 1.

(c) A person desiring to be transferred must apply for su[illegible] transfer to the Trustee of his own school corporation.

(d) When a transfer has been applied for, it is the du[illegible] Trustee to hear the case, and then to make a record of his [illegible]n the case in his record book.

(e) A transfer to be legal must be a matter of record. The School Trustee should make a record of his decision in reference to transfer in his record book, whether the decision is favorable or adverse to the applicant. The following would be a proper form of record:

Comes now [*name*], of District No. —, in —— Township, —— County, Indiana, and asks to be transferred to —— Township (Town or City), —— County, Indiana, for the following reasons: [Here insert reason.]

It is my opinion, after hearing the case, that [*name*] can be better accommodated by the change, and I therefore transfer h—.

Said [*name*] resides in T——, R——, and is the [*parent or guardian*] of — males and — females of school age.

Given this —— day of —— 1894.

Transfer No. —— Signed, ——— —— ———

School Trustee.

In case the transfer is granted, the Trustee granting it should make a certificate of his action in the case, and transmit it to the Trustee of the school corporation to which the transfer is made. The Trustee receiving this certificate should properly file it and make a record of the facts, that he may know who are legally entitled to school privileges within his school corporation. In case the Trustee refuses to grant the transfer, that fact should be made a matter of record.

(f) The date when each transfer was made should be stated in this report, on page 14.

(g) The names of all persons who are legally transferred to the school corporation should appear in the list of transferred persons on page 14 of this report, whether the transfer was made in 1894, or in pevious years.

(h) In case the Trustee does not know the date at which a patron was transferred to his township, he can obtain it by applying to the Trustee of the corporation from which he was transferred. In case no record is found, and the patron still desires to be transferred, it is best that the transfer should be made in 1894, and a record made of the fact.

☞Trustees are requested to pay particular attention to making a complete record of transfers, as County Auditors are not expected to notice transfers unless made legally and in exact accordance with the law.

HERVEY D. VORIES,
Superintendent of Public Instruction.
